HAPPY HOLIDAYS FROM NAPRANUM COUNCIL

On behalf of the Napranum Aboriginal Shire Council, we extend our warmest wishes to all our families, elders, young people, and community members this Christmas season.

As we come to the end of another year, we honor the strength, resilience, and spirit of our community. Napranum continues to grow because of the dedication of our people—your contributions, your cultural knowledge, and your commitment to looking after one another. Christmas is a time for connection, gratitude, and reflecting on the blessings we share. We pay special respect to our Traditional Owners and Elders, past and present, whose guidance continues to lead our path. May this festive season bring peace to your homes, joy to your families, and hope for the year ahead. From Council, we wish you all a safe, happy, and meaningful Christmas, and a bright and prosperous New Year. May 2026 be filled with opportunity, unity, and strong community spirit.

FAREWELL PETER

As 2025 draws to a close, we reflect on a year filled with achievements, challenges, and shared moments.

The festive season started with our Community Christmas Function, and it was a night to remember – laughter echoing through the hall, rain unable to dampen children's spirits topped off with a meal to remember.

I extend my sincere thanks to all Council staff for their dedication throughout the year and acknowledge those who will continue working during the Christmas period to ensure essential services remain uninterrupted.

Council's annual shutdown will run from Friday 19 December 2025 to Monday 5 January 2026, with essential staff rostered to monitor water and sewerage networks and respond to emergencies. The Post Office will also open with reduced hours on Monday 22 and Tuesday 23 December for last-minute parcel collections.

To community – thank you for your involvement, engagement, and participation in events and activities throughout the year. May this festive season bring you rest, joy, and cherished time with family and friends.

I wish all a safe and Merry Christmas and a Happy New Year.

It is with mixed emotions, I announce my resignation as Chief Executive Officer of Napranum Aboriginal Shire Council.

I have accepted a position starting in the new year with Wujal Wujal Aboriginal Shire Council, which will allow me to spend more time with my wife, Linda, who relocated to Port Douglas earlier in the year.

Over the past 2½ years, I have thoroughly enjoyed my time with Napranum and feel privileged to have been part of this community. I am deeply grateful for the support, friendship, and trust you have shown me during my time in community.

With numerous exciting projects now underway, I am confident Napranum will continue to thrive and progress in the years ahead.

I leave with many fond memories and, most importantly, many new friendships.

Thank You, Peter

On behalf of Council staff, we sincerely thank Peter for his leadership, dedication, and service during his time as Chief Executive Officer of Napranum Aboriginal Shire Council.

Over the past 2½ years, Peter has guided Council through important periods of growth and change, while strengthening relationships across community, staff, and stakeholders. His commitment, professionalism, and genuine care for Napranum have not gone unnoticed and are deeply appreciated.

Peter leaves Napranum with the respect and gratitude of those he has worked alongside. While we farewell him with mixed emotions, we are pleased that his next chapter will allow him to be closer to his wife, Linda, and we wish them both every success, happiness, and fulfilment as they move forward with Wujal Wujal Aboriginal Shire Council.

Thank you, Peter, for your service, leadership, and friendship. We wish you and Linda all the very best in the journey ahead.

Council also advises that Kelly Watters has been appointed Acting Chief Executive Officer, and we thank her for stepping into this role and providing continuity during this transition period.

Our Centre Christmas Party was a beautiful way to celebrate the end of a big year together. The children had an absolute ball — cooling off with water play, lining up with excitement at Scoopy Snacks for ice cream, and sharing plenty of smiles during a very special visit from Santa. The laughter, joy, and festive spirit throughout the day truly captured the magic of the season.

As we come to the end of the year, we would like to sincerely thank all our families for your continued support and partnership. We wish you a safe, happy, and relaxing holiday season and look forward to welcoming everyone back in the new year. 🎄 ✨

Sport and Recreation Program Launch – Jonathan Kepa

On Tuesday, 9 December 2025, we officially kicked off the new Sport and Recreation Program, providing community members with opportunities to increase physical activity, social connection, and engagement by making use of available local facilities and equipment.

The first 3-on-3 Basketball Competition saw 31 community participants, which was a fantastic outcome and a strong start to the program.

The Sport and Recreation Program will continue into the New Year with the following weekly activities:

- Tuesdays: 3-on-3 Basketball Competition
- Thursdays: OzTag / Touch Football
- Sunday afternoons: Cricket / Softball

Please note that as we are currently in the Wet Season, activities will be subject to weather conditions. We look forward to continuing to build participation, teamwork, and healthy lifestyles across the community through this program.

Digital Inclusion Workshops – Mary-Ann Coconut Library

James Collins from the State Library Queensland Digital Inclusion Team visited the community and delivered a series of Digital Inclusion workshops from 2–5 December 2025 at the Mary-Ann Coconut Library. The workshops were engaging, hands-on, and open to all skill levels, providing community members with the opportunity to build confidence and creativity using digital technology.

During the Digital Art workshops, participants:

- Received an introduction to digital drawing and design
- Explored layering techniques, brushes, and colour palettes
- Learnt how to customise, save, print, and share their artwork digitally

The training program progressed from Digital Art through to Pocket Cinema and concluded with Podcasting, offering a well-rounded introduction to creative digital skills. This program was both educational and practical, and will be highly beneficial in supporting services delivered on the ground and strengthening digital capability across the community moving forward.

COMMUNITIES, CULTURE & ECONOMIC DEVELOPMENT

The Men's Digital Arts Session held at Council provided a relaxed and creative space for participants to explore digital art using tablets and design software. Men had the opportunity to learn basic digital drawing skills, experiment with colour and design, and create their own artwork in a supportive environment. The session encouraged creativity, confidence, and positive engagement while introducing practical digital skills that can be built on in future workshops.

These sessions are beneficial for community men as they provide a positive outlet for self-expression, helping to reduce stress and support social and emotional wellbeing. Creative activities such as digital art allow men to engage in meaningful conversations, build confidence in a safe environment, and strengthen connections with others through shared experiences.

Digital arts sessions also help improve digital literacy, which is increasingly important for employment, training, and everyday life. By developing skills in technology, men are better equipped to access online services, explore creative or business opportunities, and support their families and community. Programs like this empower men to build new skills while staying connected, engaged, and confident.

CORPORATE SERVICES

Corporate Team Highlights – 2025

One of the most significant achievements for the Corporate Team in 2025 was the long-awaited opening of the Napranum Post Office. After considerable time, patience, and persistence, the community now has access to its own post office boxes and an after-hours scanner, allowing residents to collect their mail more conveniently. This is a major milestone, and we look forward to continuing to grow and strengthen this service into 2026.

We would also like to extend a heartfelt thank you to the Corporate Team for your dedication and hard work throughout the year. While we are not the largest team within Council and have experienced staff turnover and various challenges, the team has consistently delivered high-quality service. Payroll has been completed on time, suppliers paid, invoices processed efficiently, phones answered, queries responded to, and mail

collected and distributed as quickly as possible. Every team member has stepped up, taken on new responsibilities, and continued to support one another – even while navigating personal challenges outside of work. This commitment and resilience is something to be incredibly proud of.

Looking ahead to 2026, our focus will be on continuing to grow, train, and strengthen the Corporate Team. Key priorities include expanding the Post Office with additional boxes, exploring the potential for a small post shop, securing a more suitable vehicle for mail transport, improving and better utilising the reception space, and continuing to build strong, respectful customer relationships with the community. We look forward to what we can achieve together as we continue to raise the bar and build on our high standards.

thank you

PARTNERSHIPS

Our end of school collaboration with the Clontarf (boys) and Stars (girls) Programs and teachers at Western Cape College in Weipa has come to a close for 2025.

This year we came together to support students and their families, with emotional support, transport to school, wellbeing sessions, both sporting and recreational activities and lots of connection and FUN.

SCHOOL IS OUT for 2025!!!!!!

Our 2025 school year has been a remarkable success with lots of achievements and highlights. In particular a special mention to all our Breakfast Program staff who turned up early every school day of the year and prepared and cooked breakfast and lunch to all students. Our little bus got around community every morning ensuring that students arrive at the Club; get breakfast and lunch before heading off to school in Weipa and Kluthuthu Christian College.

During the year our breakfast club program staff catered for a total of 9602 student attendance from January to December 2025.

A special farewell to one of our longest serving and dedicated staff members within our Breakfast Club Program; **Mele Nuirua**. A very wonderful, caring and special lady who dedicated her time to provide support to all youth in Napranun. Mele will be very missed at our Club and will be difficult to replace. We wish her all the best for her next chapter in life.

Duke of Edinburgh (14 years and over)

We currently have 16 active Bronze Award participants and 1 active Silver Award participant on the Duke of Ed program, and 2 young people currently in the sign up process. We have had 1 participant complete their Bronze Award and are now working towards their Silver. When signing up to the Duke of Ed program, young people work with PCYC staff to choose the goals they would like to work towards.

Building safer, healthier communities through youth development

PCYC NAPRANUM - GOOD NEWS STORIES

This is client led so they are in control of their own goals. The main activities we have seen young people choose in each of the areas are:

Physical Recreation:- Boxing, Touch Football, Gym - Skills: - Driving, Art, Cooking, Fishing

All participants have chosen PCYC volunteering for the volunteering component. This involves them helping staff at the club with tasks such as cooking, cleaning, tidying areas, encouraging younger youth etc. The Dukes participants also play a role in helping with events at PCYC.

Once they've completed the required hours for each section, participants will take part in an Adventurous Journey- an experience designed to build teamwork, respect, and commitment. Completing all components earns them the Bronze Duke of Edinburgh Award, which is a fantastic achievement that can support them in senior schooling and future employment. The Duke of Ed counts towards the QCE in Year 12 and is a great achievement to have on a resume. Participants can then also choose to continue on to the Silver and Gold levels of the Duke of Ed program.

🥳 **AMAZING WORK BY OUR YSS TEAM IN PROVIDING EXCEPTIONAL SUPPORT AND SERVICES** 🥳

We wish everyone a very MERRY and SAFE Christmas and New Year. 🎄

Thank you to all our stakeholders and supporters, we appreciate all the support throughout 2025.

We're looking forward to an even bigger and better year in 2026.

VET VISIT

Vet Visit to Napranum

Date: 21–22 January

We are pleased to confirm that the next veterinary visit to Napranum has been locked in for 21–22 January. The visiting vet will be in community over two days, providing an important opportunity for residents to have their dogs checked and treated close to home.

Taking your dog to the vet while they are visiting is vital for keeping pets healthy and protecting the wider community. Regular vet checks help identify health issues early, provide vaccinations, treat parasites such as ticks, fleas, and worms, and assist with desexing and overall animal wellbeing. Healthy dogs mean safer homes, fewer roaming dogs, and reduced risk of disease for families and children.

Vet visits also support responsible pet ownership by helping owners understand how to care for their dogs properly and address any health or behaviour concerns. We strongly encourage all dog owners to make the most of this visit and bring their dogs along on 21–22 January. Keeping our animals healthy helps keep our community healthy.

**MERRY
CHRISTMAS**
